Summary

Frontend Developer skilled in modern web technologies including **HTML, CSS, JavaScript, and React**, with a strong focus on **user experience (UX)** and **API integration**. Adept at building responsive and accessible interfaces that seamlessly connect with backend services

Skills

Technical Skills

- **Frontend Technologies:** HTML, CSS, Tailwind CSS, JavaScript, React.js, React-Router, Redux Toolkit, Axios, AOS, WordPress
- **Version Control:** Git, GitHub

Soft Skills

- Communication | Problem-solving | Teamwork | Time Management

Experience

Frontend Engineer

Code's Thinker | Bahawalpur, Punjab | August 2024 – Present

- Developed and maintained responsive web applications using **HTML, CSS, Tailwind CSS, and JavaScript** to enhance user experience.
- Built interactive UI components with **React.js, React-Router, and AOS** to improve navigation and visual appeal.
- Managed state efficiently using **Redux Toolkit**, optimizing application performance and maintainability.

- Integrated APIs with **Axios**, ensuring seamless data fetching and improved API response handling.
- Customized and optimized **WordPress** websites for better functionality and design consistency.
- Utilized **Git and GitHub** for version control and collaboration, ensuring smooth development workflow.

Frontend Developer

Creatic Pro | Bahawalpur, Punjab | February 2024 – August 2024

Developed responsive web interfaces using **HTML5, CSS3, Tailwind CSS, and JavaScript**.

- Collaborated with designers to translate high-fidelity designs into pixel-perfect UI components, achieving **100% design accuracy**..
- Debugged and resolved frontend issues, including layout inconsistencies and API integration challenges, improving overall application stability.
- Learned and adopted modern frontend workflows, including **Git version control**, improving code collaboration and deployment efficiency.

Education

Intermediate ICS

Post Graduate College Bahawalpur | Bahawalpur, Punjab | 2021 – 2023

- Gained expertise in solving complex mathematical problems, understanding mechanical principles.
